

*Presidential Shake TL,
shown in Charcoal Black*

Presidential® Shake® TL

Luxury Roofing Shingles

The Presidential Series is the original luxury shingle series created to replicate the appearance of hand-split cedar shakes in the form of premium roofing asphalt shingles. The shade, texture and rustic sculpted edges of each Presidential Series shingle combines to create a sophisticated design that stands far above the rest. It's the only three-layer shingle of its kind in the industry, with more asphalt for stronger protection against weathering and thermal shock.
